Thank You

Helix Water District is proud to announce the completion of the South Rim Tank Rehabilitation project and would like to invite you to a reception and opportunity to see the completed project. All of us at Helix truly appreciate your patience during construction and want to say "Thank You".

The rehabilitated tank and site is a major upgrade from the 1950s-era design and the project was part of Helix's ongoing and comprehensive capital improvement program and our plan to provide a safe and sustainable water supply for our customers for generations to come. This tank is expected to have an operational service life in excess of 60 years.

Thursday, March 21, 2019 @ 5 p.m.

Enjoy the Reception and Explore the Grounds

- See the new improvements and learn about the project
- Meet Helix board members and staff
- Enjoy light refreshments

How to Get In

- Head up Longview Way (near the fork of Rolling Hills Drive and Horizon Hills Drive)
- We'll be where the tank is

Please join us.

Board of Directors

Daniel H. McMillan, President
Mark Gracyk, Vice President
DeAna R. Verbeke, Division 2
Kathleen Coates Hedberg, Division 4
Joel A. Scalzitti, Division 5
