Join us for a **GREEN NEW DEAL** Town

With Special Guest:

**ANDRES BERNAL**

*Sr. Policy Adviser to  
Alexandria Ocasio-Cortez's  
2018 Congressional Campaign*

Our time on Earth is precious. We must preserve the environment and build a sustainable economy for future generations.

The **Green New Deal** resolves to mobilize public resources in order to transition our economy from one of worker exploitation, corporate greed, and fossil fuels, to one focused on clean renewable energy sources, dignified, good-paying jobs with livable wages and benefits.

The community is invited to join us as we demand Washington take climate action and pass the Green New Deal with **Joaquín Vázquez** and **Andrés Bernal**, Sr. Policy Adviser for **Alexandria Ocasio-Cortez's 2018 Congressional Campaign**. The event will be a town hall rally, where **Bernal will be announcing his endorsement of Vázquez for California's 53rd Congressional District.**
